CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1333 – CPR – 00219

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products:

Retaining wall elements

made of plain, reinforced or prestressed normal weight concrete, intended for structural use in the construction of retaining walls. CE marking method: 1.

produced by

Creagh Concrete Products Limited

38 Blackpark Road, Toomebridge, Co Antrim, N Ireland BT41 3TP

in the manufacturing plant at

Thurgarton Lane, Hoveringham, Nottinghamshire NG14 7JX

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 15258:2008

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above

This certificate was first issued on 6 June 2017 and will remain valid until 31 December 2022 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Date: 1 January 2020
